## Help inform CMHA Ontario's strategic plan

The Canadian Mental Health Association (CMHA) Ontario Division values the unique perspectives of front-line staff, people with lived experience and their families, and others associated with a CMHA branch.

**That's why CMHA Ontario Division is seeking your input as part of a comprehensive, provincewide consultation process to shape the organization's three-year strategic plan (2017-2020).** Visit [ontario.cmha.ca/stratplan](http://ontario.cmha.ca/stratplan) to read more about CMHA Ontario's strategic plan process.

We encourage you to complete this survey and submit to any branch employee. No personal information is required and all answers are confidential.

About CMHA Ontario: The Ontario Division works closely with 30 local CMHA branches across the province to ensure the quality delivery of services in the areas of mental health, addictions, dual diagnosis and concurrent disorders. Through policy formulation, analysis and implementation, agenda setting, research, evaluation, knowledge exchange and government relations, we work to improve the lives of people with mental health and addictions conditions and their families.
